Dear Mr. Brown:

It is with great pleasure that I congratulate you on your intention to submit an application to the Internet Corporation for Assigned Names and Numbers ("ICANN") to establish a .Vegas top level domain. I fully support this project.

In my twelve years as Mayor of the City of North Las Vegas, I witnessed hundreds of thousands of people move to Southern Nevada and have seen thousands of new businesses open.

Southern Nevada has become a place full of great opportunities that have opened the doors of success to numerous residents of our great State. With your innovative and unique idea, Southern Nevada will continue on the path to development and fast-growing population.

I wish you much continued success with all your endeavors. Again, congratulations and best of wishes.

Sincerely,
